WELCOME TO FLORIDA SOUTHERN COLLEGE

We are so glad that you're here at Florida Southern.

As you settle in, embrace the newness of it all. Take time to explore the campus, be open to meeting new people, and get involved in activities that interest you. Walk the lake, take time to literally smell the roses in our gardens, and find your favorite spots to study – or to relax. In a few short years, you will find the College has become a cherished home.

The semesters ahead will feature engaged learning, deepening friendships, and preparing for all that awaits you in the future. When you need help, just ask. We all need help from time to time. You will find classmates, friends, faculty, and staff ready to point you in the right direction.

Blessings to you as you begin your Florida Southern journey!
